

# Thread the Eye of the Needle

Three and a half hour high speed boat trip with author/photographer John Eagle. Start from Castletownbere & or Berhaven Lodge, follow the coast west to the Calf Rock lighthouse ruin, through the Bull Rock tunnel, Dursey Sound, Ardnakinna lighthouse, Bere Island caves, round Roanarrig lighthouse and back. You will see three lighthouses, two Napoleonic signal towers, an old mansion, a wreck, thousands of sea birds, seals and maybe some dolphins. Places limited to ten on the boat trips.

€50pp

# Lighthouse Tours of Ireland

At the Fastnet lighthouse

See the lighthouses of Ireland on week long trips, staying in top quality B&Bs and also lighthouse keeper cottages. Or if you would prefer you tell us what you would like to see and we will put together a customised tour for you

**The Southern Lighthouse Tour** is the last week in June each year, taking in lighthouses such as Skellig Michael, Fastnet, Bull Rock, Hook Head plus more.

Irish Lighthouse Tour bus at Loop Head

**The Northern Lighthouse Tour** is end of August start of September going up the west coast through the Aran Islands, Co. Mayo, Fanad, Blackhead, Baily and many more lighthouses to finish in Dublin.

Places are limited on the tours to 8 so booking early is advisable.

For details on how to reserve your place please contact John Eagle
